

# PERMISSION REQUEST FORM

Date: \_\_\_\_\_

To:

From:

Permission is requested on a nonexclusive basis to reproduce the following article in the Towards Best Practices (TBP) eForum (<http://www.nbio.gov/datainfo/bestpractices/index.html>) and the searchable National Biological Information Infrastructure, a division of the U.S. Geological Survey, (NBII) website for worldwide distribution in electronic format. The TBP eForum has been developed by CSA (Cambridge Scientific Abstracts), a leading bibliographic database provider, in partnership with the NBII to further the NBII's mission to provide access to data and information on the nation's biological resources. The original source will be acknowledged.

Title:

Source:

(journal title, volume/issue number and year of publication in which the article appeared, and the page numbers of the article)
